13TH AND 14TH ACQUISITIONS FOR FORCLUM

- ◆ FORCLUM's growth has gained further momentum. The Electrical Contracting branch of the EIFFAGE Group has acquired two new companies:

⇒ The URLI company at Cluses:
(50 employees, annual turnover of 6 million euros)

⇒ The LIGORRED company at Auch:
(20 employees, annual turnover of 2 million euros)

These two purchases bring to 14 the number of companies that have joined FORCLUM since the beginning of 2001, representing 180 million euros in additional annual turnover.

Among FORCLUM's new subsidiaries feature GALLI, a company in the north of Italy with a turnover of 50 million euros, the EM group in the PACA region (turnover of 60 million euros), as well as the GUIRANDE company in the Aveyron region.

- ◆ During the year, FORCLUM has notably increased its market penetration and turnover in the air conditioning, mechanical engineering and multi-technical maintenance sectors.
